H641-IH-1901
YAMAHA YZ250F INNER HUB

Congratulations, you have just purchased the finest pressure plate available. Manufactured from T-6 aircraft aluminum with tolerances to aircraft specifications and akadized for improved durability.

Instructions:

1. Remove stock clutch cover
2. Remove clutch springs, bolts, and stock pressure plate, clutch pack and stock inner hub.
3. Install Hinson inner hub torqueing main shaft nut to your OEM specification and pinging your nut.
4. Reinstall clutch pack and pressure plate and springs being sure that you align the timing dot on the pressure plate with the line on the inner hub.
5. Reinstall your clutch cover being sure to inspect your gasket first.

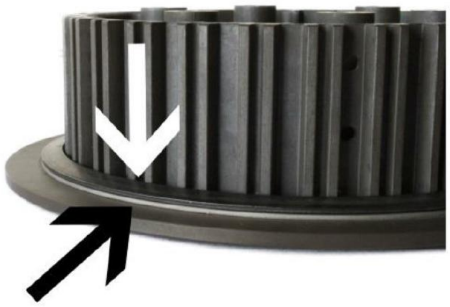

For the best performance and life from your clutch assembly, we recommend you install new OEM clutch plates and oil with your new clutch basket. Use of Kevlar plate will cause excessive wear and can void your warranty. We recommend using mineral based oil in your transmission, and that you change it after each time you ride.

Thank you for purchasing a Hinson Racing product. If you have any questions or need technical assistance, please call us at (909) 946-2942.

Crucial Inspection

If your clutch has a jutter spring and seat located at the bottom of your clutch pack against the inner hub, **these both need to be removed.**

Warranty information

All merchandise manufactured by Hinson Clutch Components is guaranteed against defects in material and workmanship for a period of six months from the original date of purchase. You must register your product at www.hinsonracing.com to activate your warranty. Use of Kevlar and carbon fiber clutch plates will cause excessive wear and will void your warranty. Hinson Clutch Components will not warranty any product that has been modified, or where the product became defective due to improper installation, improper use, or any other misuse of the product. Hinson Clutch Components shall not be liable for any other damages caused by any defects in the product, whether incidental, consequential or otherwise. If your product is defective we will, at our discretion, repair or replace the product after it is returned to Hinson Clutch Components for a warranty inspection. Any request for warranty assistance will require your original receipt or acceptable proof of purchase. Hinson Clutch Components liability is limited to the cost of repair or replacement of the product. All warranty items will be viewed and acted upon at the discretion of Hinson Clutch Components.

Thank you very much for purchasing a Hinson Clutch Component!
