C253
2004-2009 HONDA CRF250X CLUTCH COVER

Congratulations, you have just purchased the finest clutch cover available. All Hinson Clutch Components are manufactured from T-6 aircraft aluminum with tolerances to aircraft specifications. Used by Team Honda, Team Suzuki, and you can count on all our parts being race and championship proven.

Instructions:

1. Remove stock clutch cover.
2. Remove the pressure plate to access the top hat.
3. Once the pressure plate is removed switch out the stock top hat with the Hinson top hat.
4. To switch the top hat, you will need to remove the clip on the stock top hat to remove the needle bearing and washer.
5. Install the needle bearing and the washer onto the new top hat, you do not need to use a clip on the Hinson top hat. (Note: the Hinson top hat has a hole in the center of it to allow the spigot on the cover to go inside to allow oil to pass through to the pressure plate)
6. Re-install the pressure plate.
7. Inspect the o-ring and install your new Hinson clutch cover.
8. We recommend using a petroleum based oil in your transmission
9. Readjust your freeplay to have an 1/8-1/4” at the lever and perch

Also available for this model:

- FP094-8 fiber clutch plates (set of 8)
- AP094-7 akadized aluminum clutch plates (set of 7)
- FSC094-8 Fiber, Steel, and Spring kit
- H109 2000-2009 pressure plate
- H222 2000-2009 inner hub
- H299 replacement damping cushions

Thank you for purchasing a Hinson Clutch Components product. If you have any questions or need technical assistance, please call us at (909) 946-2942, Monday through Friday between the hours of 7:00AM-4:PM Pacific Standard time.

Warranty information

All merchandise manufactured by Hinson Clutch Components is guaranteed against defects in material and workmanship for a period of six months from the original date of purchase. You must register your product at www.hinsonracing.com to activate your warranty. Use of Kevlar and carbon fiber clutch plates will cause excessive wear and will void your warranty. Hinson Clutch Components will not warranty any product that has been modified, or where the product became defective due to improper installation, improper use, or any other misuse of the product. Hinson Clutch Components shall not be liable for any other damages caused by any defects in the product, whether incidental, consequential or otherwise. If your product is defective we will, at our discretion, repair or replace the product after it is returned to Hinson Clutch Components for a warranty inspection. Any request for warranty assistance will require your original receipt or acceptable proof of purchase. Hinson Clutch Components liability is limited to the cost of repair or replacement of the product. All warranty items will be viewed and acted upon at the discretion of Hinson Clutch Components.

Important! Warranty registration

Products must be registered in order to be eligible for warranty. Please log onto www.hinsonracing.com to activate your warranty registration. You will need to make note of your serial number, the small 8 digit number 180 degrees from Hinson Clutch Components on your part, as you cannot register your product without it.

Thank you very much for purchasing a Hinson Clutch Component!
